Any discounts, rebates or other price reductions (collectively referred to herein as "discounts") issued to Customer may reflect discounts or other reductions in price within the meaning of 42 U.S.C. Section 1320a-7b(b)(3)(A). Customer may have an obligation to report such discounts to any State of Federal program that provides reimbursement to Customer for the items to which the discount applies, and, if so, Customer must fully and accurately report such discounts. Further, Customer should retain invoices and other price documentation and make them available to Federal or State officials upon request. Promotional period is listed under each offer. All required purchases to qualify for promotional offers must be made during the promotional period. Customers may be required to complete a form to receive these promotional offers and must purchase required quantities on the same from the manufacturer after the close of the promotional period. Please allow 4-6 weeks for delivery.
