

Customer Bulletin – March 2022

Discontinuation of PTS Panels® HDL Cholesterol Test Strips 25-count Products (REF 1714, 2206, 2779 and 2796)

Effective immediately, PTS Diagnostics will discontinue the professional HDL Cholesterol 25-count test strips due to continued limited demand.

Orders of the HDL Cholesterol test strips will be accepted until inventory is depleted.

We will continue to support non-expired product in the field through the expiration date.

Within the United States, self-test HDL Cholesterol test strips are available in the 3-count configuration (REF 1788).

If you have questions, please call Customer Service at +1 317-870-5610 (direct) or +1 877-870-5610 (toll-free, US only).
