(Offer expires
December 31, 2026)

CardioChek® Plus Analyzer Upgrade Offer

Upgrade to v1.12 at a discounted rate

CardioChek v1.12 Improvements

- **List view main menu**
- **Simple navigation to testing options**
- **Quick backout options on select screens**
 - By quickly pressing both buttons, analyzer will go back to the previous page
- **Select screens include:**
 - Check strip
 - View a result in memory
 - Set date and time
- **Test counter available**
 - Found under Information, then About CardioChek Plus
 - Tracks the number of tests run under Patient Test mode

Terms and Conditions:

1. Promo code **PTS112** must be listed on the P.O.
2. Upon receipt of the P.O. from the authorized customer, PTS Diagnostics will issue an invoice to the customer for the promotion amount and will drop ship a CardioChek Plus analyzer version 1.12 or newer to the end user.
3. May not be combined with other promotions.
